

Sloaney Pony is one of Melbourne's premier destination venues, offering bar, dining, and function experiences for everyone. A rare venue on the pub circuit, Sloaney Pony is special in its design and atmosphere with the rustic exterior paradoxically complimenting the modern, European interior. This confident combination is a preview to the equally impressive bar and lounge area, complete with function rooms to suit any occasion.

Pony Club

Pony Club is located upstairs, with a private entrance and separate bar; it was designed specifically for functions of less than 80 people, ensuring your most important occasions are both inviting and well celebrated. We can accommodate a variety of function types from an intimate occasion of 30 guests to a classic cocktail party for 80 guests.

Private Dining Room

The Private Dining Room can accommodate 20 guests for a casual or fine dining event with a standing space of 30 guests. Ideal for corporate lunch or dinner, exclusive product launch, or a charming get together; the lighting and warm settings create the perfect atmosphere.

Bar Lounge

The Bar Lounge is where the action takes place for more social events, such as a 21st birthday, Hens or Bucks night; in your very own VIP area located in the down stairs bar.
